"The purpose of the ARB is to preserve the original natural design concept at The Tradition at Willbrook Plantation, and to enhance and protect the property values. Approval or disapproval of an Application for modification or alteration to any residence or lot is at the sole discretion of the ARB, and may be based upon any grounds, including purely aesthetic considerations, which the ARB may deem appropriate. Decisions of the ARB may be appealed in writing to The Tradition Property Owners Association Board of Directors, whose decision shall be final and binding."

The ARB will make every effort to assist owners and their architects and contractors in order to avoid construction problems by sharing experiences with designs, materials, colors, etc. Property owners are accountable for the actions of contractor (s) in observing all covenants and maintaining a neat, clean construction site, avoiding damage to trees and property, cooperating with The Tradition's managers, ARB, and security, not disturbing neighbors, and observing other acceptable construction phase conditions. Property owners are urged to refer to The Tradition at Willbrook Plantation Covenants & Restrictions, and the Architectural Review Board Guides.

Consult the ARB if you have questions. We are at your service.

Property owners are urged to make sure they are protected by Builder's Risk Insurance, and to obtain a Certificate of Insurance from contractor(s) and sub-contractor(s) as proof of Public Liability and Workmen's Compensation Insurance. The Certificate should bear the name of owner as Certificate Holder. It is prudent to call the insurance company whose telephone number appears on the certificate to confirm that the policy is currently in force.

No work shall begin without ARB approval; the ARB and Georgetown County issued building permits. Substantial fines and/or penalties will be imposed on the property owner, if work begins before the owner and/or contractor receives all required permits and approvals. Notify ARB upon completion of work for Final Inspection, Signoff and refunds. Submit Application in Duplicate with all Documents, Samples & Drawings. etc.
